

EXODUS 2010

Exodus offers under 18, alcohol free, entertainment for 16 and 17 year old young people holidaying in Newquay unaccompanied by their parents.

Exodus operates in response to the large number of unaccompanied 16 and 17 year olds who come to Newquay in July. It helps manage their impact on the town positively.

Parents/Guardians should note that Exodus does not provide supervision of their children for the duration of their stay. It merely provides suitable activities which the children may choose to take part in.

Exodus operates from 4 July to 29 July.
