

AMAZING ADVENTURES AWAIT

Welcome

As the Mayor of Newquay it is my pleasure to offer you a warm welcome to this amazing town, it is an honour to be asked to contribute to the Newquay guide.

Having lived and worked here for 47 years some may say I'm biased but Newquay has something to offer for everyone and latterly we have experienced multigenerational families visiting due to the plethora of activities on offer here.

The activities are centred around the environment we live in, whether it be walking our beaches, swimming or simply paddling, we have it all and more. The beaches with the support of the RNLI during the summer months keep our beaches safe.

There are surf and activity centres offering surf lessons, coasteering and lots more.

Don't forget to check out the harbour for boat/fishing trips, it's well worth a visit.

Cover image: Crantock Beach, Newquay BID

Newquay also offers a skate park built to Olympic standards which is free to use.

There are lots of green open spaces, the Killacourt right in the centre of town with amazing views of the Atlantic.

Trenance Valley offers a zoo, leisure centre, tennis centre, rose gardens and a boating lake.

Like the world over Covid has had a massive impact on tourism but our businesses have bounced back and visitors have returned to stay in our iconic hotels, campsites and self-catering with something to suit all budgets.

Thank you for visiting our town whilst here enjoy, have fun and keep safe and come back and visit us again.

TOUNTERSE FOOTONINGS

Newquay is on the South West Coast Path overlooking seven sandy beaches with spectacular sea view walks all along the coastline.

The coastal path follows the cliffs which border most of the Newquay beaches, so you can choose to either walk the paths or on the beach. When walking on the beaches, special care must be taken to know your tide times. Most of Newquay's beaches have steps or roadways down to them but some sections in between the main beaches can be cut off by the tide - even when it is only part-way in.

The coastal path follows the cliffs and walking north of Newquay you can walk virtually uninterrupted to Padstow and beyond, passing through typical Cornish villages on your way. The coastal road between Newquay and Padstow follows the coast path fairly closely so it is a popular option to use the bus service as a way of returning or vice-versa.

Newquay's glorious sandy beaches offer visitors miles of captivating coastlines for picturesque walks with stunning views and long stretches of golden sands for sunbathing and relaxing on the shores.

Exploration

{ The Gannel Estuary } The River Gannel has its own little ecosystem with a broad flowing river, tidal estuary and the expansive Crantock Beach all in one beautifully scenic area. With circular walks able to take you round the estuary and neighbouring countryside, you can amble back to Newquay Town Centre within the hour. Not only providing stunning views for walking and activities, it also allows dogs all year round.

Surfers

{ Fistral Beach - shown below } For those coming to Newquay to chase the waves, nowhere quite beats the famous Fistral Beach. Which is ideal for all abilities from beginners to experts. The north of the beach is best at all tides. The south of the beach usually breaks left and is best during mid to high tide.

FAMILIES

{ Porth Beach- shown above} A sandy and sheltered beach, Porth is protected by headlands on both sides making it a super sunbathing spot. Sit back and relax on your sun lounger with a good book and leave all your troubles behind you...just don't forget the sunscreen!

LOCATION

{ Towan - shown below } With its easy swimming, rock pools and overlooked by the iconic House on the Island, is the perfect family destination. The beach is overlooked by the Killacourt area of Newquay and is not far from some lovely cafes, restaurants and shops.

Laid-back

{ Great Western Beach - shown above } Nestled between Towan and Tolcarne beaches in Newquay bay, Great Western sits understated as the quieter resident, offering a more individual and laid-back feel. Complete with its own surf school, surf restaurant and bar on the beach making this a perfect all-rounder for everyone to enjoy.

NEWQUAY'S LOCAL AQUARIUM

Here in Newquay we are extremely lucky to have an exciting array of marine wildlife that you might be able to see throughout the year.

There really are no set rules as to when they are here, being wild animals and especially as we are experiencing so much climate change at the moment, but we have been talking to our good friends over at Newquay Sea Safari's and they have put together a little guide of what we "might" be able to see and what time of year.

BEST PUB LOCATION IN CORNWALL

Who doesn't love a Cornish pub? It's something ingrained in the hearts of so many Cornish folk, and often a top priority for our county's visitors.

Here at The Bowgie Inn, we're fortunate enough to be in what we think is the best location in Cornwall (if not the whole UK!), but there's lots of other things that make us well worth a visit too...

Beer Garden

Our beer garden had a fantastic make-over in summer 2021. It now consists of patio areas for each picnic table, stainless steel and composite material picnic benches, giant planters filled with sensory plants, plus granite steps and lots of open space to emphasise our incredible view! It's the perfect place to enjoy a Sunday lunch in the sunshine or your favourite chilled beverage whilst watching the sunset.

DRINKS

But let's start with our amazing location on West Pentire Headland. Overlooking the Atlantic Ocean, our little piece of Cornwall is always breathtaking. Crantock Beach has truly got something to offer everyone, from wild swimming and surfing, to exploring caves and hidden coves, to stand-up paddle-boarding on The Gannel. Plus, a Crantock sunset is a must-see for any trip to the South West. With plenty of accommodation near by, it's the ideal set up for beach days every

It's a well-known fact that at least half the enjoyment of a pub comes from the drinks - and we're more than well-equipped at The Bowgie! We always try to embrace our Cornish roots and support our incredible local producers. Be it with a range of locally pressed ciders or with a Cornish gin like Tarquin's, Trevethan or St Ives - you're sure to get a real taste of the South West. We're also proudly Cask Marque Certified, with a constant selection of the finest Cornish cask ales.

day!

The Food

The Bowgie is a Taste of the West Silver Award winner and we strive to build on our reputation for excellent food and drink. We offer a fantastic menu which supports and showcases Cornwall wherever possible, alongside familiar favourites. Our famous, homemade Bowgie quiches and Sunday roasts are just two highlights that bring people from far and wide. There's truly something for everyone - a bowl of cheesy chips and a pint, a luxury hot chocolate with a muffin, salads and light bites, not to mention our famous classics like our burgers, curries and pasta dishes.

Naturally, the best way to be convinced is to see for yourself! Whether you pop in once a year or every weekend - we can't wait to welcome you! Booking is essential - and don't forget you can order at our kiosks with contactless payment or download our Bowgie Inn App to place food and drink orders.

Serving up a slice of Old Newquay, Trenance Cottages, a trio of beautifully renovated, Grade II listed. Cornish cottages are open to the public and free to enter – the only such row of pre-railway age dwellings found in Cornwall!

Situated in the heart of the tranquil and award-winning Trenance Gardens, Trenance Cottages have been lovingly preserved, protected and improved by a group of volunteers who have saved a piece of history to create a

special visitor experience. Just a short walk from the River Gannel and the Rose Garden, this quaint trio of cottages offer a detailed

insight into Newquay's heritage.

Built on the site of an old malthouse, the dwellings now offer a unique attraction where visitors can learn, relax and unwind in an iconic setting away from the hustle and bustle of the beaches and town centre. Exploring the homesteads of Vine, Middle and Rose Cottages, one is invited to step back in time to experience the way Cornish ancestors once lived. From the lives of a lifeboat coxswain to an evacuee, the

museum contains a splendid collection of artefacts and information about the lives of past inhabitants and explores their family heritage.

The museum also gives visitors an opportunity to listen to recordings from Newquay residents, view artefacts from the 1900s, learn about the buildings' history, and play a beautifully restored pianola! All of this whilst reminiscing about the development of tourism in the town and celebrating the ongoing work of the charity, Trenance Cottages Newquay, and its army of magnificent

Did you know?

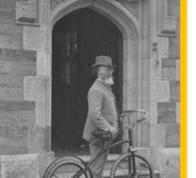

- Who was the famous Cornish industrialist who first rode a bicycle in Newquay and lived at Glendorgal?
- Newquay had four ship building yards in the 19th century, where were they?
- In 1602 Richard Carew author of 'Survey of Cornwall' wrote rather disparagingly about the people living in what would become Newquay.
 What did he say the location was only good for?
 - Newquay's Barrowfields had at least 21 Barrows in the late 18th century what happened to them?
- When did Newquay first appear on a map?

Why in September 1897 was one of the most important Cornish architects pelted with flour and eggs by Newquay residents?

If you don't know the answer, you can find them by watching a short video at newquaymuseum.org/home/visit_newquay-2023

• oncrete Waves™ replaced the hugely popular, but aging, wooden waves skatepark. You can skate, BMX and rollerblade, or simply sit and watch in awe of all the talented users. Why not take the kids down, chill and watch with friends or even have a go yourselves? Newquay's Concrete Waves™ skate park is FREE and open to all users of all ages!

Employing designers with a long history in such projects, it was designed to meet the needs of

the accomplished local wheeled sports community of Newquay and Cornwall whilst also serving as a facility for riders, national and international visitors to the town. The style of the skatepark is completely unique and is highly regarded as both challenging for the experienced, yet safe and well thought out for those less used to its challenges!

Concrete Waves™ consists of four separate areas: a retrostair set and an internationally significant bowl. The park is therefore geared for all abilities and disciplines, including professional-level. The park is built with safety in mind, whilst facilitating large numbers of users.

THRILL SEEKERS

Newquay is known as a prime surfing destination, however, there is a whole host of other activities that will provide an adrenaline boost for thrill seekers...

COASTEERING

A fast-growing extreme adventure sport, Coasteering isn't for the faint-hearted. Explore the rugged Atlantic Coastline around Newquay by scrambling up rocks and cliff faces before jumping off into the ocean. You'll discover caves and smugglers' dens, swim with the local marine life, and see Cornwall in a way like no other. All the safety equipment and wet suits will be provided and qualified instructors will be leading you to make sure everyone has a truly wild adventure.

Diving

Whether you fancy trying your hand at snorkeling or learning how to scuba dive, the options are available to you in Newquay. For those looking for a truly unique experience, Atlantic Diver offers the chance to explore wrecks off Newquay's coast. The opportunity to discover boats that sunk in the wars is one of the highlights of the trip

Jet skis

Explore the coastline and its wildlife in the most exhilarating way by bouncing over the waves on a jet ski, causing the spray to leap up at you as you take in the sights. If you're looking for a more structured journey, there are companies including the Cornwall Waverunner Safaris that head out from Lusty Glaze Beach to point out the sites as you travel 15-20 miles down the coast.

GO KARTING

Those with the need for speed will love zooming around one of the two race tracks at St Eval Kart Circuit. Challenge your pals to take on the fastest course in the Southwest, and organise your own family Formula One.

Surfing

As the UK's surfing capital, Newquay is the place to be if you're planning to learn the sport during your holiday. There are plenty of surf schools such as The Escape Surf School to give you your first ever go or build on the skills you already have. There are also areas to practice where you can head out into the waves and get involved with the surfing community by hiring your own equipment.

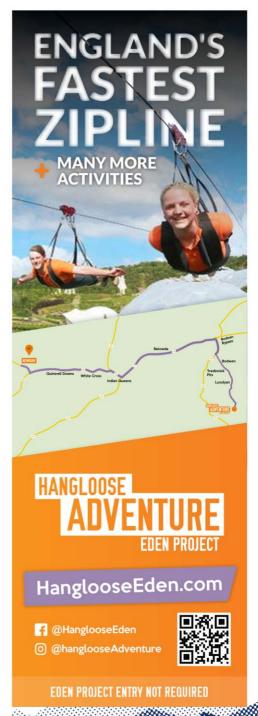

Horse Riding

If you'd like the chance to try horse riding for the first time on your visit to Cornwall, trekking along one of Newquay's picturesque beaches will make the event incredibly memorable. You'll be trotting across the shore with the breeze in your hair in no time.

HANGLOOSE

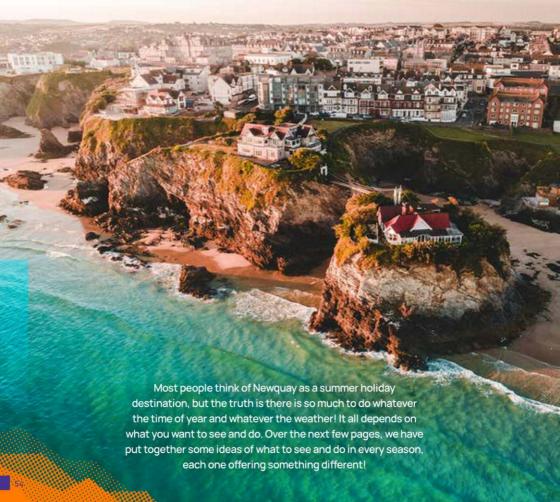

For adrenalin-seekers, Hangloose adventure at the Eden Project is a must. Exciting activities include: Skywire. England's longest and fastest zip wire experience, Freefall the world's first commercial freefall onto an airbag, Vertigo 360, Britain's first 360 swing, The Drop, a controlled 10m fall simulator, Big Air, a 12m jump into an airbag, Freefall - The worlds first commercial freefall onto an airbag. Terrifyingly simple and scary as hell, FREEFALL is the ultimate experience for adrenaline junkies. They'll winch you to the height of a building before our auto-release system sends you hurtling toward terminal velocity. No ropes, no descenders, no bungee! Just the longest nail-biting few seconds of your life and pure freefall. There is nothing like this anywhere else in the world.

NOY THROUGH The SEASONS

If you're wondering when the best season is to take your holiday to Newquay, the answer is whatever the season!

Spring

e thought we had better start off with one of our favourite seasons... spring! In spring the nights begin to draw out, and the sun finally starts to make a warming appearance. Bird and gull songs echo throughout the town, and the flower beds are bright and blossoming down

Dairyland

We think that Dairyland Farm World is the perfect spring attraction, when we think of spring we think of new life, and of course baby animals! Where else can you get close to many different farm animals, and even get the chance to pet some of them too? There are many other fun activities that all the family can take part in too. You can go into the tractor house and see a magnificent display of tractors and engines, or take part in the nature trail, where you can feed the ducks, fish and swans. It's the perfect attraction to enjoy spring outdoors!

when you know spring has truly sprung in Newquay. Spring is the shoulder season in Cornwall, as greater numbers of visitors start to arrive along with the rise in temperatures! It's not quite as busy as in the summer, making it the perfect time to visit! Say hello to spring because we have come up with some 'blooming' fabulous ideas if you're looking to visit Newquay.

BOAT TRIP

Breathe in the Cornish sea air this spring and take a boat trip from Newquay's Historical Harbour! There are all types of excursions to choose from. If you want to catch a glimpse of Newquay's marine wildlife, you can take a trip out to sea with Newquay Sea Safari's. You'll get the chance to see dolphins, basking sharks, porpoises and lots more! They'll even take you to seal cove so you can admire Newquay's grey seals in their natural environment. Or, maybe you'd like to catch something yourself for dinner? At Newquay Harbour, you can also go on a

Picnic time

Our perfect spring picnic spot in Newquay is the newly restyled Killacourt - a grassy and pathed leisure area that offers uninterrupted views of the sea, other areas of the town, and the iconic island house at Towan Beach. The area is now more accessible than ever and it features a café with accompanying small shopping outlets, occupied by local craftspeople and retailers. There is often music playing at the completely refurbished bandstand and seating area which is now better able to showcase the talents of local musicians, silver bands and entertainers. It's definitely worth passing by to see what's on.

Summer

oorah, summer! The warm air, the sea breeze to keep you cool, the seagull calls, the smell of pasties throughout the town... You can't but LOVE the summer season in Newquay. Remember that because summer is the warmest and, some might say, most beautiful time of year, it's also the most popular and the busiest. You'll see the sea turn a turquoise shade of blue, dolphins, seals and other animals come to life in the waters, and the sun's rays turn the sand to a Caribbeanlike white. It's no wonder everyone flocks to Newquay at this time of year. If this is the

season that you're planning on visiting, then keep reading to find out what Newquay has to offer in the summertime.

Beaches

With seven beautiful beaches to choose from, what better time of year to make the most of them? The main beaches in Newquay include Newquay Harbour, Towan, Great Western, Tolcarne, Porth and Fistral. These are just the beaches located in the town and often get guite crowded at the peak of the season. So why not try one of the other beautiful beaches located a few miles out of Newquay? Like Porth, Watergate, Crantock and Holywell. No matter how busy it is, you'll never be stuck for a spot on the beach when there are so many amazing beaches to choose from!

WATER SPORTS

If you're looking for something a bit more active, why not get in the water? Newquay is renowned for its surfing, so what better opportunity than to take a surf lesson? No need to worry if you've never done it before as most of the surf schools in Newquay cater to all abilities! If you're looking for something a bit different you can go on a jet ski safari, coasteering, paddle boarding... The possibilities are endless with a different surf school or adventure centre on every beach, and in a town surrounded by the ocean!

Attractions

If you're looking for something to do other than the beach but still want to be outside in the sunshine, how about a trip to one of Newquay's outdoor attractions? You can head to Newquay Zoo to get up close to some of the world's most endangered species, go to Lappa Valley Steam Railway if the kids want to ride a real steam train, or to Camel Creek if they want to go to a thrilling adventure park! There's an outdoor attraction for every member of the family here in Newquay.

USTY GLAZE BEACH - TR7 3AE 01637 806 106

A h, Autumn. The crowds are dispersing, the colours of the trees are changing to darker shades of orange and red, the weather is getting cooler and all the kids have gone back to school! It's the second most popular time of year to visit Newquay, and we can understand why. Here are our top tips of things to do in the autumn season in Newquay.

It's the perfect time of year for a welly walk in the woods. We recommend Cardinham! Take your time to admire the colours of the tall trees and falling leaves, follow fun trails with the kids and grab a hot chocolate togo from the cottages to keep you warm whilst you wander! All just a 30-minute drive from Newquay.

HOT CHOCOLATE

The Bowgie Inn, perched on wild West Pentire headland, is the perfect place to warm up in the autumn season! With unrivalled views over stunning Crantock Beach, mouth-watering Sunday roasts, famous Bowgie hot chocolates and over 25 Cornish Gins to sip your way through, let the cold weather beGIN! Think blustery beach walks, yummy roasts, mouth-watering hot drinks, wave watching, cosy afternoons and SO much more at the Bowgie Inn.

Winter

ast, but not least, the quietest time of year in Newquay... Winter, Now don't be fooled. iust because not so many people come here in the winter, doesn't mean it isn't just as beautiful or interesting as any other season! Think dramatic storms and waves, cosy pub meals, windy coastal walks and probably the best time of year for events. You'll also find the accommodation is much cheaper than any other season, although book in advance as a lot of places do close for winter.

STORM WATCHING!

There's no need to fear a downpour in Newquay, as it has some of the most spectacular viewpoints for storm-watching! All in the comfort of a fancy hotel or cosy pub. The Bowgie Inn and Lewinnick Lodge are some of our top recommendations, as each are perched on the cliff side with mesmerising coastal views. You'll feel like you're right in the middle of all the action yet sat by the warmth of a fire with a hot drink. Bliss!

A trip to Newquay has got to be at the top of your Christmas list if you're looking to go away in the wintertime. Full of festive cheer. Newquay at Christmas is a 3-day event that is put on free for locals and visitors to enjoy by Newquay Town Council. Well, there you have it! Something to see and do in every season. Now you know that Newquay isn't just a summer destination, and you'll always find something to do whatever time of year you choose to visit us in lovely Newquay.

DISCOVERY Trail Map.

Recently revised and reprinted the map has been updated with newly discovered information and additional artwork. This beautifully illustrated map is both a great guide to the two enjoyable and informative walks around the town and also a great keepsake for your visit.

The map features the two walks, 'Hetty' and 'Ada' that make up the entire Discovery Trail. The 'Hetty', yellow on the map, follows a mostly coastal route including the beautiful Harbour, the 'House on the Island' and Fistral Beach.

The 'Ada', pink on the map, takes in some of the coasts

but then moves inland passing through the Trenance Valley, Gardens & Boating Lake and near popular Newquay attractions including the Zoo, Newquay Leisure World and the Heron Tennis Centre.

Walking the Newquay
Discovery Trails you will find
slate discs, about a metre (1
yard) in diameter, embedded
in the ground at key places of
interest. Each slate circle is
numbered and these link in with
the map with fascinating facts
about your location, whilst taking in some spectacular views
- a great way to enjoy a tour of
Newquay without a car.
