

Let's get learning with Sparkle!

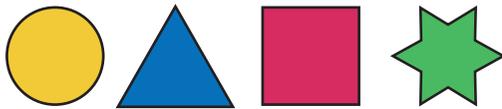

Suitable for Key Stage 1
Children: Years 1/2

Sparkle loves learning new things: she has made this sheet with Maths, English and Geography tasks for you to enjoy!

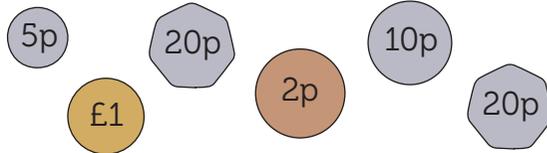

Arrange these numbers from smallest to largest.

37	18	24	52	31

Draw a circle round the shape that has 4 sides.

Sparkle buys a new ball for £1.50. Circle the coins she uses

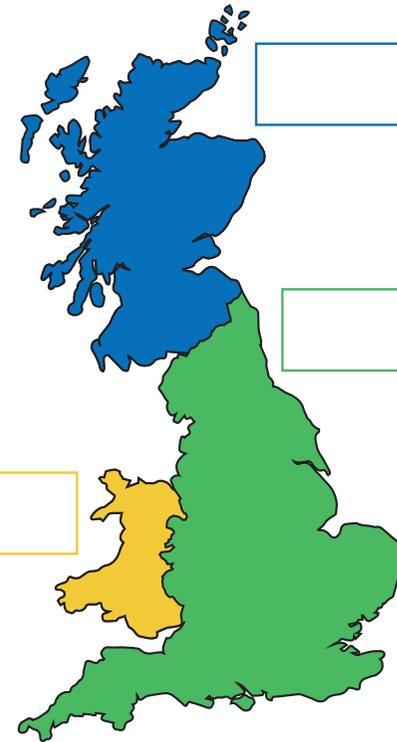

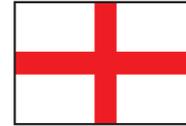

What is 1/2 of 20?

What is one quarter of 12?

What is half of 14?

Match **ENGLAND**, **SCOTLAND** and **WALES** to their land map images, then match up the flags to their countries

To, too or two?

Lizzie is going ___ the party.

- too
- two
- to

There are ___ Krew members going to the party.

- to
- two
- too

Underline the sentence which is correct.

- The Krew Kids are too tired.
- The Krew Kids are two tired.
- The Krew Kids are to tired.

Help Lizzie arrange the colourful boxes of fruit alphabetically:

- Banana
- Apple
- Kiwi
- Orange
- Grape
- Cherry

Now... Grab a sheet of paper and try these ones...

- badger, bear, bobcat, bluebird, buffalo
- pear, plum, pineapple, pumpkin, papaya, pomegranate
- Sunday, Tuesday, Saturday, Monday, Thursday, Wednesday
- January, April, March, August, June, September

Krew fact!

It doesn't matter which way round you add numbers. The answer is always the same.

1 + 2 will always be the same as 2 + 1
